

January has been a great month of giving in Burgos. The day of the Three Kings is celebrated in Mexico on the 6th, remembering the gifts brought to Jesus. Our Christmas Outreach, rescheduled to this day, brought over 400 people to the church for fun, food, and presents. Thanks to partners in Texas, the day was a huge success. Children from the church performed a play of the birth of Christ. Local children participated by singing solos and group songs. Clowns and puppets provided entertainment and Bible lessons. All in attendance received a hot meal.

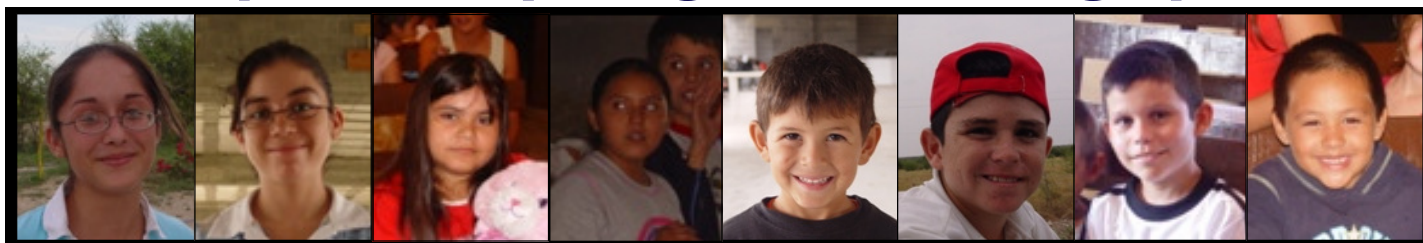

Sixty children who attend Christian Education Programs also received gifts this month from their Sponsor Families in Texas. In the last five months, sponsors have provided monthly support to their child in items such as jackets, shoes, clothes, and blankets.

Children in the Burgos Kindergarten were given toothpaste and toothbrushes. Families have received warm clothing for the winter months. Reading glasses were given to church members and food items have also been given to families and children.

February will be a busy month with special events three of the four weekends. We ask for your prayers and also that you join us for any of the events.

The 10th is the annual prayer meeting on the hill next to the church. The meeting is a day of thanksgiving to God in memory of "Tio Leto" who is considered a modern day apostle to this region.

The 16th-20th is the anniversary of Burgos celebration. The town plaza will be crowded with vendors, carnival type games, food and more. It is a great time for us to spend with the families we know and to learn more of the culture. It is also a great time for visitors to come experience Burgos.

The 23rd-25th, Cristo es la Roca church will host meetings featuring the music and preaching of Ramoncito Rivera. He is from this area and has had a successful music career. We expect large crowds and feel these days will be a blessing and encouragement to the people.

As always, feel free to contact us for more information or with questions. We are currently scheduling our mission trips, so please be in touch if you would like to bring a group or come as a family.

Thanks and Blessings—Matt and PJ Burton
