

May God bless you and draw you close to Himself. We continue to be blessed by those we are working with on both sides of the border. May was highlighted by special services and guests, growth in the children's ministries and building projects, answered prayers and faith to believe for more. Thank you for your partnership in prayer and giving. You are making a difference in Mexico.

Christian Education Programs serve 70+ children in small communities outside of Burgos with Bible lessons, crafts, music, and games. Programs are growing monthly.

(left) Children share highlights of their Sunday School lesson with the church to conclude the morning service. (right) The newly formed worship arts team took part in the Sunday morning service for the first time on May 27. They are being taught once a month by leaders of the First Assembly of God Dance Team of Lockhart, Texas. Practices are held weekly to review, train, and worship God.

(l-r) Mario, Selena, Yessica, Trinity, Julie Kate, and Ellie visit at El Becerro. Julie and Ellie, along with their parents and grandparents, brought gifts and food from their schools in San Marcos, Texas to share with local families. The trip included home visits, church, activities and swimming. Yea!

Sergio Vaquera (pictured with Missionary Maria Tellez) led a special service at the beginning of May with a focus on families. There was a great response and plans are being made to bring him back for a 3-day event in the late summer. Please pray for his ministry. Please continue praying for Dora and her healing. She has reported dreaming again for the first time in 3 years. Pray that she will live the dream God has for her life and dance upon the injustice of her illness.

May our lives be spent to the glory of God and for His fame. May we know Him in our blessings and in our sorrows. May we see Him in the least, the poor, the broken, the needy. May His love and power restore us, heal us, and redeem us. Be blessed. You are a blessing to us.

Dorm Construction

With shovels, wheelbarrows, and a small cement mixer, construction continues on 5 rooms which will hold 60 people. Most of the foundation work has been completed and walls will follow in June.
