Arnulfo "Arnie" Cazares came to Burgos to help us for three weeks. That 3 is turning into 9 weeks or more. Arnie's gifts of music, teaching, and preaching have helped move our projects to the next level. What timing by God to send Arnie to us. He is leading our music team, assisting with children's programs, and preaching in many churches. He is assisting with mission teams, and teaching piano. Go to our homepage and see Arnie

We will be in Lockhart for the first 2 weeks of June. PJ will be teaching swimming lessons to almost 100 kids. It is something she really enjoys and it helps us purchase Trinity's home-school curriculum. We will return to Burgos to host more mission trips and continue our regular schedule of ministry activities.

We thank the Lord for His goodness towards us. It is amazing to see the way He has ministered to families this month through the wonderful people who have partnered with us. Blessings to you all.
